

The Scout Movement is the biggest youth movement in the world today, is world wide and over 100 years old.

The 18<sup>th</sup> Edmonton (Methodist) Scout Group is just our small part of this great world wide movement and is over 60 years old.

The Group is sponsored by the Bush Hill Park Methodist Church and therefore is Christian based. Beavers, Cubs and Scouts are expected to attend Church Parades if they wish to continue with the Group.

The whole Group (Beavers, Cubs and Scouts) is managed by the Group Scout Leader (GSL). The Beaver Colony is run by the Beaver Scout Leader (BSL), the Cub Pack by the Cub Scout Leader (CSL) and the Scout Troop by the Scout Leader (SL). Each section has assistant leaders and helpers. There are rotas for parent help.

At the age of 14 our Scouts move on to an Enfield District Explorer Scout Unit. We normally feed the Bush Hill Park Explorer Unit which meets at St Stephen's Church.

When your child joins the Group so do you. You have voting rights at the 'Group Annual General Meeting' held annually in May.

Please remember that all the Leaders, Helpers and Committee members give their time voluntarily and we expect you to help too. We are **not** a baby sitting service!
